FISCAL NOTE

SB 1508 - HB 1537

January 18, 2018

SUMMARY OF BILL: Authorizes county legislative bodies to utilize certain documentation to describe county legislative district boundaries in addition to the required map of legislative districts. Establishes the map of district boundaries as the controlling document in the event of a discrepancy.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Under current law, pursuant to Tenn. Code Ann. § 5-1-110, counties are required to create a map of county legislative districts and are authorized to utilize descriptions of county legislative district boundaries if the map of such boundaries does not provide sufficient detail.
- The proposed legislation authorizes counties to also utilize census block equivalency files to describe county legislative district boundaries, but establishes that the map of boundaries is the controlling document in the event of a discrepancy.
- Any fiscal impact to state or local government is estimated to be not significant.
